“ *Don't it always seem to go*

You don't know what you got

Till it's gone.

It's been over a year now little brother and it seems

the regrets and remorse only grow stronger.

*The regret and remorse come from the fact that our relationship
could have been so much more. I neglected it.*

I hope and pray that one day

I can forgive myself. I know you have already.

Until we meet again - I love you.

“ *Everyday gets harder without you my beloved brother. One day we will all be among one another again. I cant wait to walk aside you and hold your hand, I have asked god to have mercy upon me because I am weak without you here, I put my trust in him now and know that I will see you and dad again. I pray for the lord to keep the rest of the family safe.*

I love you all.
