“ I truly am sorry to the family for your loss. I only saw Michael on special family occasions; we just traveled on different paths. One thing I do know is that each us is has an allotted time while here on Earth that will end. Beyond that, our spirit moves on into a beautiful spiritual realm where love, learning and progressing continues. Our spirit lived prior to earth life and death does not end our spirit's life.

“ His wit made everyone smile at work. You two always kept everyone laughing. May his body rest in peace and his spirit live on forever. My prayers go out to you and your family.
