“ Another great human being has been called home! I got to know Michelle very well during our Relay days together! Both being survivors! She was one of a kind and in spite of her illness there was nothing that could stop her. She was a dear person and will be sadly missed. Rest in peace, Michelle! We love you!

“ Jay and Family,

So sorry to hear of your loss. I know you loved her deeply, will miss her sorely, but that you will try every way to look at it for what it truly is-- a well deserved homegoing and RELIEF from her physical pain. It is hard to know how she coped with all that--could not have without the support of you, her wonderful family and a Most Wonderful God.

A fine, sweet lady....

Blessings,

Don
