“ Just found out that your mom passed away. This makes me sad. She was Ms. (Wood) to me as my teacher. He and Joyce Carson. I thought she was an awesome teacher and was always so kind to me. Always remembered me even as I got older. She was beautiful on the inside as well as the outside. I loved her! She made me feel like I was smart and could do anything I wanted. Thank you Ms. Wood for that!!

“ I was saddened by the news of your Mothers passing. I was a member of her very first class, Grade one at Butler. I hold very fond memories of how much she meant to me and how much I loved her. She has left a wonderful legacy in her children and grandchildren and the countless numbers of Pendleton County children who were inspired by her love and compassion. With her life she made a difference for so many.

“ Nancy (Miss Wood) was my 5th. Grade teacher. She was an excellent teacher who was beautiful both inside and out. I remember she played the piano and inspired me to do likewise. I still have movie films of her at basketball games at McKennysburg. Thank you for being a kind and inspiring teacher.
