“ I am so sorry to hear of Nedras passing and wish to pass my condolences to her family. She and Gene were two of my favorite people and i will always remember their Christmas parties and UK basketball parties in the basement of their house. My prayers for her family and so sorry i can't be their in person to share your grief and to celebrate her life. She was such a sweet lady and will be missed by all who knew her. May God,through Christ,give His peace and comfort thru this time of loss.
Love to all, david woolery
