“ Both Sue and Ronald were great people in our book. They were ready to help any one any way they could and will always be loved and remembered by us. They had so much sorrow in their lives but seemed to always have a smile on their faces. May you both rest in peace and enjoy making up for lost time with your loved ones I know you are with now.. You will always be in our hearts..

“ I was about 10 when Sue told what her first name was (almost like it was a secret). I thought it was beautiful...I'm glad to have known her and to have had her part of our family.
