“ Pam and I have been lifelong friends since the seventh grade. This comes as such a shock to me. The last time we talked was on messenger and we were reminiscing about the things we did when we were teenagers, we laughed 40 years later as much as we did then. I will always have the fun memories we shared growing up and I will never forget you! You always made me laugh..I Love You Pam and will never forget you. Prayers to your family.
