“ Pearl I will forever cherish the memories our family had with your family. You was like a second mother to our whole neighborhood. You laughed with us as well as disciplined us! I promise to check on Matt and Seth as you asked me too. And watch over your house in Columbus. May you rest in peace and enjoy being back with your King. Love you today and forever! "Olive Oil"

“ To the family of Pearl. I am so sorry for your loss. My heart breaks for you all. So many memories rush through my mind of how much fun we had growing up together. We were just talking recently of her. Just like one big family on the mountain. Too many have gone on. I really do miss all of our parents too. Precious memories. Just remember we love you all. God sees your tears and hears them when they fall. Continued prayers for you all. Would love to be there with you all. God bless.
