

### *Friends*

*Today was a good day for me -  
I'll take it down in memory;  
I'll tell of how the sun was bright  
All day long till early night.  
And how my friends were good to me,  
Lent me an arm so I could be  
Caught up with them when 'n they walk'd,  
In the conversation when they talk'd.  
So, now I ponder as this day ends,  
Where would I be without my friends?*
