“ I've known Frank for the last ten years. He has been a great friend. Frank has been the best friend to my brother-in-law Joe Ellis for over 18 years, he has helped in many ways, Joe is a slow learner, Frank was their last year when Joe lost his mother, I could on, woth the many withs Frank and Joe have done over the years, but it would take to long. The best way to sum this up is I lost a Friend and Joe has a BROTHER!
