“ *My thoughts and prayers are with the entire family in this difficult time. I harvested alot of tobacco with Robbie over the years before moving to Florida but still always look back on how much fun it was to actually go to work all because of Robbie. He was a great man who had a heart of gold. He was always good for laughs all day long and I will never forget the many, many fun times while puttin in the burley on Robbie's beautiful farm. He was a wonderful person and will truly be missed. God Bless You Robbie.* ”
