Tribute Wall

DW

“ Dear Family,

I remember Ross from occasions during elementary school days! A nice fellow then and I am sure he remained so--so, I extend to you my condolences in his passing.

I always say to the Ross Dunns of America and their families that he "went to Vietnam to serve his country so that I would not have to!" For that and for his particularly sacrificial patriotic service to our country, his country, we are very grateful. I am sorry that I will not be able to be present to participate in the the Hardin-Browning military salute today, but thank you for accepting that tribute.

Blessings,

Don Wells
