“ I had the pleasure of working with Sally at the IRS for 16 years until her retirement. She was friendly and funny and she made going to work...SO MUCH BETTER. I love that we reconnected on FB in the last few years. I am so sorry for her family's loss. I will never forget Sally's smile or laugh. It was contagious. Praying for your family....God bless...

“ I had the pleasure of knowing Sally for about 20 years, and working directly with her for three. She was a warm and friendly soul, and many of our conversations turned to family. I will miss sharing memories and stories with her at our monthly lunches, and my wife Sylvia will miss their Trivia Crack battles. We offer our sincere condolences to Glen and the rest of her family.

“ I got to know Sally when we were at CSCSPC. My unit cycle control serviced all 3 units in front of us. She was always the friendliest manager and person all all. She will be truly missed by all who had contact with her, or had her as a manager.

“ I have known Sally for many years; we worked together at Cincinnati Submission Processing Center and continued to be friends into retirement. She was one of the "Lunch Bunch". She was always talking about her family and how much she loved them all. I will greatly miss her. You and your families are in my thoughts and prayers.

“ I worked with Sally in the late 80s. I hadn't seen her in years but loved that we reconnected on Facebook. I remember when my husband and I were invited to her house to play cards with her and Glen. So sorry for the family's loss.

“ *“May tender memories soften your grief,
May fond recollection bring you relief,
And may you find comfort and peace in the
thought
Of the joy that knowing your loved one
brought...
For time and space can never divide
Or keep your loved one from your side.
When memory paints in colors true,
the happy hours that belonged to you.”*

So sorry to hear of Sally's passing. I worked with Sally when I managed Electronic Filing unit and Sally's unit corrected the errors that occurred. She saved the day for us many times. Will remember her warm smile.
