“ Larry, Donnie, and immediate family!,  
Your Mom has been one of my favorite cousins. We were very close years ago, back almost before your time. :)s We have not had as much opportunity in more recent years--where did those years go?!-  
-unfortunately, one of my regrets has been thinking I was too busy to call or stop by and say "hello," or more recently, "goodbye," (for now.) I guess the same might be said for Kay, as well. We should never take each other for granted, only to too often find that time on earth has run out.  
Fortunately, the Good Book, though, allows us to be confident that all will turn out all right. Eccles. 12:7. Jn. 3:16!  
Blessings,  
Donnie Wells
