“ He bought me a concert ticket to see "Elvis". He knew how much I loved him. As Elvis walked onto the stage Aunt Judy jumped in her chair to scream & yell while me & my cousins and every other girl in that building rushed to the stage to touch him or get a smile from him or even a scarf. Oh! what a night it was. Thank you, Uncle! Give mommy a hug for me. Grandma Sydnor finally has all her chickens together again. Oh! What a celebration that will be.
