“ Was unable to make the funeral but wanted to let the family know I have them in my thoughts and prayers.

I first got to know playing little league baseball with him, Lonnie and Jim. Their father was a coach and very huge help to many aspiring ball players. Teddy was a gentle leader and always kind and thoughtful.

Through the years I would see Teddy around town at different events and he would always speak and ask how I was doing. I was sorry to hear about his passing but wanted to let you know how special he was.

I have warm feelings for all the Gregg family and have you in my thoughts and prayers.

“ *Teddy was so kind to my Izzy girl. He made her always feel at ease when riding the bus. Anytime he got sick and couldn't drive the bus, she would ball her eyes out and blame herself thinking that her having congestion or sneezing caused him to get ill. I explained to her that was not the case. She wanted him to live forever and told him that he is not allowed to get older anymore. I wish the pictures below were a bit better, the kids were nervous on the first day of school last year and could not hear me as I told them to scoot a bit. Teddy will forever be in our heart. Praying for the family to find comfort and peace during this time.*

“ Teddy, I don't remember a time I didn't know him. I worked at bi-rite where he delivered Pepsi. He bowled with my dad for as long as I remember. New year's eve card parties. The team trips to Tennessee. The funniest time was the waitress who refused to wait on our tables. The guys had picked on her, in fun, so much the other times, she just couldn't do it. She wound up waiting on us. No matter where you saw him, he always said, " hi" and asked how you were. Teddy was family. He married my cousin. 2010, the year of the snowstorm, Teddy came to cynthiana to be with my family in our time. He great humor and kindness will be missed. I am sure there is a big bowling tournament going on today. Love you Karen, Brian and Gale
