“ *What a wonderful and beautiful person Thelma was.*

She was so uplifting and made you see things as always hopeful. She was a child care provider in my program. I looked forward to making home visits because we would sit and chat. I would leave feeling energized. That was what Thelma did. She was God's gift to us. My love to her family. She always talked about you all and how proud she was. Bev Drye

“ *Aunt Thelma was a special person to me. She ALWAYS asked about me and my family. Throughout the years, while she was still able, she called me, sent me cards and made things for me. I really appreciate her love, friendship and the wonderful happy times we shared with the family. I will always cherish her memory. Billy, Poncho, Jennette, Dolly, and family, I am so sorry for your loss.*

With love, Audrey.

“ Thinking about you, Larry, and praying that our God fills your emptiness with His divine, compassionate, all empowering comfort. Thelma has been such a big part of your lives as you and Roz have attempted to meet her needs for a very long time. I pray for peace, strength, and guidance for you and your family.

Love,

Bettie
