“ Thomas was my brother he was a good man who would give you the shirt off his back if you needed it. He made mistakes in life like anyone else but he paid for those mistakes and repented for his sins. He protected me from those that would do me harm when we were growing up and taught me to not do things that would hurt me and helped to make me who I am today. He had a good heart and I have many good memories That I will always carry in my heart. He loved life and lived it to the fullest his final year he fought hard but it was time for him to go home he knew he was loved by me and never did anything to hurt me. I will miss him but I know he's in a better place and suffers no more.
