“ My prayers go out to Tim's family. Tim was the minister at Connersville Christian Church when I was a young girl. When I was 12 years old, Tim asked me to start playing for our opening exercises before Sunday School got started and with my dad who was the Sunday School Superintendent at the time, that's how I got my start playing the piano for church! And 55 years later I am still playing for church. Thanks Tim for getting me started!! I loved his laugh and smile!! Rest in peace.

“ *Very sad to see this news, and my condolences to the family! I so remember Timothy from my youth at Berry Christian Church days as a child and he being a member of the Waymaker Quartet along with other family! I was a child but their music left an indelible impression on me to this day! Prayers of comfort to all. Ramona (Davis) Williams.*
