“ Casey and I were best friends as kids growing up. I moved away to Florida with my family at 14yrs old and lost contact with him, but I've always kept a place in my memories for the great times we had. He and I were always fishing, camping or running around on that dangerous three wheeler they use to own. I know we drove Tim and Patty crazy at times, but we were two best friends doing what boys did best. Thanks for the fun times Casey I still miss you buddy.
