“ *Tony and I were more like brother and sister than anything. We were together every summer when I was living with Mamaw in Kentucky. What one of us couldn't think of the other one would. I always looked forward to every summer with Tony. We stayed in close contact, through, phone calls, and letters{more letters on my end than His} And then when technology advanced we would text.*

You will forever be in my heart lil' brother, do me a favor tell Mamaw , Pop, Jeanie, and Uncle Marvin and the rest of us Lawson's Hey for me.

*Love ya forever
