“ My deepest condolences to the family of Virginia. My sister and I met Virginia several years back when we went in search of our great,great,grandfather and grandmothers gravesite who were Oscar and Ann Blades. Virginia shared with us stories of the family and gave us directions to their gravesite. Without her help we might never have found it. We kept in touch for a few years and then letters got fewer. I always thought of her fondly and wondered how she was doing. I was saddened when I saw this in the paper. Such a sweet lady has joined the other Angels in Heaven now. God be with you all during this time.

“ I will really miss Aunt Virginia. I will always remember working with her and Momaw Blades at the grocery. She was a very special lady.
