October 3, 1939 - March 29, 2024

William Russell "Bill" Fryer, 84, of Cincinnati, OH, formerly of Falmouth, KY, passed away on Friday, March 29, 2024, at the University of Cincinnati Medical Center. Born in Pendleton County, KY on October 3, 1939, he was the son of the late Russell and Evelyn Taylor Fryer. A 1958 Falmouth High School graduate and always "young at heart," Bill loved to laugh and make memories with his family and friends. He could capture an audience with outrageous stories of his "real-life" antics and experiences. On May 22, 1965, he married Sylvia Elaine Barger Fryer, and his dear wife of 51 years preceded him in death on April 17, 2017.

In 1971, Bill founded SBDP (Small Business Data Processing), and for over 50 years, he creatively assisted businesses in the greater Cincinnati area, earning the trust of his many clients.

Surviving are his daughter and son-in-law, Suzanne and Robert Ziemba of Penrose, North Carolina; four grandchildren: Alexandra (Tapasvi), Nathan (Yaisel), Maxwell (Caroline), and Noah (Dana); his brother and sister-in-law, Roy and Judy Barger, Jr., and a host of extended family, friends, and customers.

In addition to his wife and parents, he was preceded in death by his daughter, Alanna Carol Fryer on December 6, 2000, and his half-brother and sister-in-law, Ron and Patricia "Pat" Ballinger.

Funeral services will be held at 2 pm on Tuesday, April 9, 2024, at the Memorial Mausoleum in Spring Grove Cemetery with Kevin Barnard officiating

and special remembrances by Suzanne Ziemba and Doug Sandhage. Visitation will be held from 1-2 pm preceding the service. Interment will take place in the Spring Grove Cemetery with military honors by the Hardin-Browning Post #109.

“ One could not have a better friend than Bill Fryer. I met Bill some thirty-five years ago at a Servatii Pastry shop. He invited me over to his table with his two friends. For the next twenty years, the four of us had coffee at that table and had solutions for all the major problems in the world.

He has been my best and closest friend ever since that day. He supported me no matter what I tried. Whatever I needed, he was there to help. When I started painting, he bought one of my first paintings. When I started abstract painting, he gave me the paper and bought my first print. When I published my book, he printed the handouts that I used to promote my book. He would never charge me. He always said I could pay him when I became famous. In fact, the week before he died, I was at his office and had asked him to make me some more business cards. When I ask how much it was going to cost, he just said, I could take him to lunch. That was Bill. He was a real character and always nice to be around. I never saw him get mad at any time. He always had a grin on his face. He had a really big heart and really loved his friends like they were family, and he really loved his family. I'm going to miss him a lot. You had a great Dad who loved your mom.

“ *Mr. Bill as I called him was one of my favorite customers. Any time he called he always had a story and a the most precious laugh. The world is a less happier place with out him in it.*

“ *The AccuZIP family extends our deepest sympathies to the family, friends, and colleagues of Bill at Small Business Data Processing (SBDP) during this difficult time. Since 2008, Bill has been not just a devoted customer of AccuZIP but a part of our community, known and cherished by nearly everyone on our team. His presence was a highlight at many trade shows, where he would spend hours at our booths, repeatedly enjoying the AccuZIP demonstrations, always with a radiant and contagious smile. Bill was more than a customer to us; he was a genuine friend whose warmth and enthusiasm enriched our lives. His visit to our Texas Headquarters in 2019, where he greeted everyone with his characteristic joy and excitement, is a memory we hold dear. Bill’s absence will be profoundly felt by all of us at AccuZIP. We mourn a great loss and honor a cherished friend.*
