“ To Ruth Paula Carolyn Sharon Lisa Matthew and Travis as well as all other family members - my deepest sympathy goes to you all at this very sad time. It is with great sadness that I write this message to you all and please know that you are and will be continually in my thoughts. You have been a family for such a long long time and as apart of your family I share in your grief. I know you will join together in a celebration of Winston's life and know that he will always be with you - if only in your wonderful memories of a man who has shared your life.
My thoughts are always with you.
Love Barb.
