“ Growing up I remember Great Aunt Nonie visiting with my aunts. Since I was young I normally wasn't part of those conversations which meant I didn't get to truly know her. Thankfully that changed when I learned that she went into a nursing home. Since visitation was limited due to COVID, I decided to start writing her letters and had the occasional phone call with her. It's something I will hold dear to my heart as her love of cats was truly what bonded us together. I will miss sending her notes to help brighten her day but I'm grateful for the memories. Sending hugs and love to the family.
